Gwynedd Historic Environment Record Camera User Guidelines

HER users may use their own camera to photograph certain collections within the HER provided that they agree to our conditions. There is no charge for users who wish to photograph material, however they must first inform a member of the HER staff and sign a copy of our *HER Camera User Form*.

What Kind of Camera Can I Use in the HER?

You can use either of the following:

- Digital camera
- SLR camera

You cannot use any of the following:

- Camcorder
- Digital camcorder
- Mobile telephone camera

Can I Use These Images in a Publication?

By signing the HER Camera User Form you are agreeing to make copies for personal research or study only.

What Types of Record May I Photograph?

Users may photograph material from the following classes of record:
